

## Amsler Grid & Instructions

- 1. Wear your reading glasses.**
- 2. Test the right eye by covering the left. Then test the left eye by covering the right.**
- 3. LOOK ONLY AT THE CENTER DOT and keep your vision on it at all times.**
- 4. While looking ONLY at the center dot, are the lines around the dot straight and the squares the same size? Is the grid distorted, blurred or discolored?**
- 5. Call us for sudden changes in the grid @ 804-4705 or 800-232-8355.**
